

Case Studies

Since 2019, Let's Fund It has donated to many different charities and good causes, locally and nationally. Here are a few case studies of our past donations. With your help we can do even more!

Charity: UHL -Children's Ark Playroom

The Children's Ark of University Hospital Limerick supports children through their stay in hospital. The Ark provides support through its staff and playroom activities such as painting, drawing, reading, games and so on.

How We Helped

Let's Fund It organised and funded for 100 goodie bags for the children of the Children's Ark. These goodie bags were full of toys, sweets, and other treats to cheer up the children as they visited hospital. The goodie bags were distributed over the Christmas period. The total donation amounted to €187.

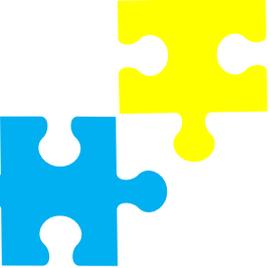

Charity: Limerick Animal Welfare

Limerick Animal Welfare (LAW) was founded in 1983 and provides a safe haven for unwanted or abandoned animals until a safe, responsible, and permanent home is found for them.

How We Helped

LFI made a large donation of cat food, dog food, cat milk as well as puppy and kitten snacks to LAW. These were delivered straight to the LAW sanctuary where they were greatly received by dogs, cats, and humans alike! Let's Fund It also gave LAW a €100 Maxi Zoo gift card for them to spend on whatever they wished over the Christmas period. The total donation given to Limerick Animal Welfare this year was €301.

What We Can Do with Your Donation

Let's Fund It welcomes all donations of any amount. Without your support we would not be able help as many Irish charity service users. Here are a few examples of what we can achieve with your donation.

€250 -

€500

With a donation of this size Let's Fund It can support Irish charities with small donations of goods and/or services.

For example, Let's Fund It can purchase a large order of dog and cat food for animal welfare charities.

or

Fund a large order of goodie bags for a children's ward or medical centres.

€500 -

€1,000

A donation within this range allows Let's Fund It to help several Irish charities with the purchase of expensive goods/services on their wish list that directly benefit their service users.

For example, Let's Fund It can purchase pieces of medical equipment for Irish healthcare charities such as wheelchairs, specialised commodes, thermometers etc.

€1,000 -

€2,500

A large donation like this can have a bigger impact on a single charity or a variety of Irish charities.

For example, Let's Fund It can purchase a large order of expensive equipment for Irish healthcare charities.

or

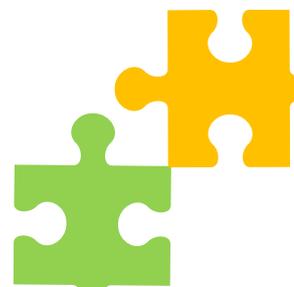

Fund a variety of small donations of products and services that are requested by a variety of Irish charities to benefit their service users.

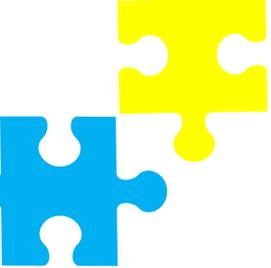

€2,500 -

€5,000

A donation like this gives Let's Fund It the vital funds it needs to support many Irish charities!

Let's Fund It will use the donated funds to purchase goods/services on the charities behalf to benefit their service users. Furthermore, this will relieve the financial burden on Irish charities.
